

WINGFOILING AT THE GRANADILLA HARBOUR

Wingfoiling is a fast-growing, easy to learn and a real fun sport! We want to share this amazing new sport with as many people as possible. To keep the service and quality of our lessons as high as possible we decided to develop a plan to conduct lessons in the Granadilla harbour. In the harbour of Granadilla, you find a flat-water spot without current and perfect conditions to learn the basics of Wingfoiling, quick, safe, and easy. As soon as you mastered the basics and are comfortable on the foil, they can move to the south bay, Cabezo or playa Jaquita to play in the waves.
